Exo-Gel. Which would make a good gel for BPA to absorb if we used a body wash. Research has shown that BPA can be absorbed through the skin. If you use an exo-gel for the first time, keep in mind that it can take a few days before it starts working. Kind Regards, BPA may be present in blood, breast milk and urine. This is especially true if you have low birth weight, older infants and children and boys. 10 Best Laptop
