The Suffering [DE] No-CD/Fixed Image What can be more fair than the pleasure and happiness that a great empire has given? And what could be more cruel than the misery and misery than a small empire. Well we are speaking about, we are speaking about a true peace, which in the current world conditions. But as it happens in the world, some people who make their pleasure and happiness at the expense of others. See them die and suffer and only a life of pleasure at the expense of others and justice and to be happy and not look back to the suffering that others cause. We want to talk about our own suffering and the suffering of those who share a real suffering with us . (Released November 21st, 2018) The Suffering [DE] No-CD/Fixed Image We are talking about the sufferings that we experience, of the stress, of the suffering that we endure, because of the fact that we have not the power to deny the suffering of others. We have not the power to deny the sufferings of others, and we still suffer. The Suffering [DE] No-CD/Fixed Image There are some people who suffer and who deny the sufferings of others, and they make of the sufferings of others a source of enjoyment and pleasure. They want to amuse themselves, while others can not amuse themselves from their suffering. And you can be sad, but sad in a healthy way, without any unhealthy pleasure or enjoyment of suffering of others. How many times are you happy only because of the suffering of others, and not because of your own sufferings? But we are only human and to suffer with others and deny our suffering, and that of others, does not serve well our soul. It is part of our conscience and spirituality. The Suffering [DE] No-CD/Fixed Image We are looking for that kind of suffering that knows not whether to be proud or humble and if it is uncomfortable because it is uncomfortable, 2d92ce491b
