The Olympus E-M1 MkII Menu System Simplified, by Thorpe, David: New, Used and Collectible Books. Movies and TV shows based on novels and books, are actually better than books and movies based on other books and movies. I often read books that I am especially drawn to the title and the cover because I hope that I will enjoy it. But when I read a book and I like it, I tend to go back and read it many times. So I usually have more than one copy. I guess you can call it a book hoarder. The same thing happens when I watch movies based on books, I usually watch them a few times and then I get tired of it and move onto another book or movie and so on. So there is my problem and my justification for the books on this site. On the flip side, If the book I'm reading is really good, I often wish that there was a movie, but the book and the movie can only mimic the first book and the first movie. For example, The Martian (movie), when I read the book, I wanted to be able to make my own outbursts like Mark Watney when the dust storms start. Unfortunately, the book and the movie can't. So I sometimes read books that I am especially drawn to the title and the cover because I hope that I will enjoy it. But when I read a book and I like it, I tend to go back and read it many times. So I usually have more than one copy. I guess you can call it a book hoarder.
