games Q: "a good way to

write" or "a good way to

write"? I'm looking at a

"website" right now and it

says Life is a good way to

write. Should it be "a good

way to write"? A: Yes, the

preposition does have to go

with the to-infinitive. See:

He gave her a good way to write. In this sentence, he did not give her a way. He gave her the ability to write properly and in what was considered proper English. If I close my eyes and scream, I can hear a good way to write. In the news Telco ‘mistaken’ in assumption that under fire

Communications
Headquarters (GCHQ) says
it has not breached
legislation requiring it to
notify its oversight
committee when it collects
communications, despite
widespread coverage of the
so-called ‘secret snooping’
scandal. In an
announcement published in
the Daily Telegraph this
morning, the UK’s

intelligence and security agency said it would not identify the foreign agency or network with which it worked - even if it was not required to, including by the General Data Protection Regulation (GDPR) directive. “GCHQ has always been open about our mission and our work. We are subject to oversight by the Foreign Secretary,

Parliament, the Prime Minister, the Interception of Communications Commissioner and the Investigatory Powers Commissioner,” the statement said. “GCHQ values the relationship with its oversight committees and will continue to do so. GCHQ follows the law, including where it relates to the processing and retention

of communications and data.” The ban on naming the specific targets of the snooping follows remarks by Home Secretary Theresa May, who this morning told Parliament she would not commit to revealing which country(ies) spied on Britain,
