How to use the free authentic app scan tool?

System Requirements:

To play, you need a powerful computer, with a good quality mouse and keyboard. It will run just fine in 1280×720 resolution but I would suggest to keep it at 1920×1080 to get the most out of it. About: The game takes place in a Science-Fiction universe, where the characters need a communication device, that can tap into their minds and listen to their thoughts. For this reason they need a special pair of glasses, that connects to their mind in order to act
