August 18, 2014 Why wait until you're millions in debt to start on a business? Consider starting your own business sooner than you think. There are lots of reasons to start a business of your own. One of them is that you can become your own boss, earn a very good income and still be able to spend time with your family. If you can make a commitment to yourself and

---

your family, you can create a new future that not only gets you out of debt, but also gets you to your dream life. Start by defining your goal. What do you want to do? How much money do you want to make? What kind of lifestyle do you want? When you have your answers, get your business started. The rest is up to you and your skills.

the best eBay tools to increase the value of your eBay items by increasing sales, increasing buyers and increasing the number of eBay search visitors: 1.

**Search for Similar Items.** In the search box, add the item you are selling. In the search box, look at the first several pages for similar items and enter them as well. If the items are on eBay and have a similar description, and are

---

very similar in quality to yours, they may be worth adding. You can find them from the "Similar Items" link on the right-hand side of the eBay search box. 2. Tags. Tags are words used in the description box to help others find the item. You can use all the tags you want, including some that are not allowed by eBay, such as: the word "gem". When people search for that word,

---

they are more likely to find your item. 3. Photo Previews. eBay allows you to attach a picture to your listing, so that buyers can see it. The downside is that it takes space. However, that can actually work in your favor, because you may be able to get more visitors when you attach a photo. You can either take the
