Best Answer mar 08, 2013 here is a link to the manual but it

does not work. All user manuals come to the computer like this... How to use the website Go to the homepage, then click Home or Home (this will put you on the Home page). Click on any link or image to get to a specific page. For example, for the manual link, it will look like this: If you have any questions or problems, please do not hesitate to contact us by using our contact page.
